

# Nordic Inn Hiking Trails

## Charcoal Lake Trail

2.6km – Follow the White Arrow Markers

Difficulty: Easy

*This 2.6km hike starts to the left of the shed at the Nordic Inn. It meanders through a majestic hardwood forest, a cedar swamp, across an active beaver pond ending on the shores of beautiful Charcoal Lake and returning on the same route. Charcoal lake offers excellent opportunities for fishing of brook trout. In the late summer months, raspberries and blackberries can be found along the way. Enjoy!*
